# READ & ENACT - 1

**Shreya:** Hello Alice, have you watched the recently released movie of Akshay Kumar?

**Alice:** Hey! No, I haven't !

**Shreya:** It's a wonderful movie, you should watch it.

**Alice:** That's true, but I hate action movies.

**Shreya:** Oh, but that movie has a strong social message.

# READ & ENACT - 1

**Alice:** I watch movies for entertainment and I like to watch comedy movies .

**Shreya:** Yes, but I love movies which also educate us in some way or the other.

**Alice:** Yes I agree with you.

- ✓ (Here both the parties are accepting each other's opinions & choices)

## READ & ENACT - 2

**Vimal:** According to me we can target college students for our product.

**Archana:** In my opinion we can use social media for outreach.

**Vimal:** No, our product will attract youths, so young people would be best suited. We can visit different colleges for this

**Archana:** In my experience through social media we can get leads across the world, but if we visit college students we will be bound to only our city.

## READ & ENACT - 2

**Vimal:** Yes, you have a point I agree with you. We can take it forward.

(Here we can see two employees having different views disagreeing politely and also coming up with a mutual decision and it also shows good teamwork.)

## READ & ENACT - 3

**Dad:** Hey, What are you watching, my son?

**Son:** I am watching my favorite dance talent show, Dad.

**Dad:** It is not right to watch these shows all the time; you should also watch some informative channels.

**Son:** Dad, I was bored. I am watching this show just to relax. Truthfully, I am not interested in informative channels as I don't understand most of it.

## READ & ENACT - 3

**Dad:** Now, switch to some news channel . We should also know about things which are happening across the world. We shall have a discussion on it later.

**Son:** Okay Dad.

**Mom:** Good Morning both of you, let me watch some cooking show. I want to prepare something special today.

**Son & Dad:** But why?

## READ & ENACT - 3

**Mom:** Don't you remember we invited some guests today for dinner?

**Son:** Okay Mom!

**Dad:** Oh okay, I will switch to the cookery channel you want.

(Note: Although everyone in the family wants to watch different channels, they agree to the mother and act upon it. We can notice a healthy and positive relationship in the family which comes out of mutual respect even though everyone's choice is different.)

# The Unnati Way - Stand Tall

---

## For Classroom discussions:

1. Do we respect others' likes & dislikes the way we value ours.
2. Do we show love, care & concern to others opinion including our family members.
3. Do we recognize that there could be different point of views for the same situation(6 from one side looks like 9)?
4. Do we listen to other opinions and are we tolerant to their views?
5. Why do you need to place relationships first in your life?
6. Do you think adaptability and adjusting nature ensures success?

# SUMMARY

- Is it necessary to be vocal about our opinions & choices?
- Do you feel comfortable talking about these to others?
- Should we be interested in knowing & understanding other others' choices & opinions?
- Is it necessary to be respectful of others' choices & opinions without being biased?
- Do you value relationships over personal dislikes?
- Am I ready to adapt and accept changes in my life?
