

GOVERNMENT DR. SHYAMA PRASAD MUKHERJEE SCIENCE & COMMERCE COLLEGE
Sector-H, Rajharsh Colony, Kolar, Bhopal (M.P.)- 462042

Bhopal, Date -06/01/2021

Academic Council

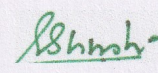

After passing the Higher Secondary a student comes to the college in a state of dilemma due to lack of proper knowledge or direction about choosing the right programme and subject for higher studies. There are ample opportunities for a student to pursue his/her academic studies, but more often than not she/he ends up choosing the wrong programmes and subject due to parental or peer pressures.

Every year the Principal of the college constitutes the Academic Council with Nodal Officer Admission as its director, Professor-in-charge UGC and some of the faculties as members on rotational basis.

1. The Academic Council guides the students about the subjects and groups suitable for their career and of course for their taste. Many students change their subjects after counselling by the Council.
2. To approve and ratify the introduction of new added courses / certificate courses / value added courses.
3. To consider the draft of New Education Policy 2020.
4. To approve and consider the starting of new programmes.

Foundation of Academic Council for academic session 2020-21 is as follows. Tenure of council will be of five years.

S.No.	Name	Role in Academic Council
01	Dr. Ragini Tiwari, Nodal Officer Admission	Director, Academic Council

Policy for Academic Excellence

Govt. Dr. Shyama Prasad Mukherjee college, Bhopal strives to achieve academic excellence by Providing quality education through excellent teaching, learning ICT based methods and research pursuits with Continuous assessment of the academic activities. The Policy document reflects academic objectives of the institution and the strategies conceived to achieve them

Objectives:

- * Empowering students to evolve as self-reliant citizens who would cater to the human Welfare and sustainability.
- * Developing Professional Skills, Communication skills, sense of creativity, ethical standards in Professional work.

Quality Parameters are mainly assured by-

1. Academic Accountability and Assessment through I.Q.A.C.
2. Delivery of course content adopting appropriate ICT Methods including E-Content

Challenges:

- Institutional procurement of adequate number of computers.
- To utilize library and other research optimally.

Sports:

- To improve communication skills.
- To win competitive edge.
- Much needs to be done to improve the Practical knowledge of the students.

Action Plan:

The Academic Activities in the institution are conducted as below:

- Head of each department allocates the subjects to faculty members after collecting their Preferences before the Commencement of the session.
- Academic Calendar of the institution is Prepared as per the directions of the IQAC in conformity of the Academic Calendar detailing the number of working days, and curricular & extra-curricular activities.

- Teaching is carried out as per the Planner Prepared by the faculty and verified by the Head of the Department.
- Induction Program is conducted at the beginning of the session for the newly admitted students to make them aware of the academic and other activities to be held in the college.
- Various workshops, FDPs, seminars, lecture – series are organized at regular intervals to improve the effectiveness of Teaching faculty and the staff.

Academic Audit:

Academic Audit under the guidance of the IQAC is carried out online.

Academic Council:

Academic council will be constituted valid for three years.
