
Date :30 June 2021

To,

Greetings From AVM !

Pandemic Accelerated usage of Online Classes , for the continuity of learning and after Second wave it seems that this would be the new normal. Also UGC Guideline as per NEP 2020 **Mandating Blended Learning** to the extent of 40% in colleges , a similar decision might come for schools also to pursue blended learning.

I take this opportunity to Introduce **AVM infotech India Pvt Ltd** as a Leader in providing Education Technology Solutions in Central India. AVM is authorised "**Partner Google Cloud**" with **Google for Education Expertise**, a Status granted to **only 3** Companies in India. This Status is granted only to companies who have Professionals with Google Technical Credentials and **Google certified Educators**.

Google Classroom is one of the recommended Learning Management Systems in the UGC Concept Note on Blended Learning (https://www.ugc.ac.in/pdfnews/6100340_Concept-Note-Blended-Mode-of-Teaching-and-Learning.pdf). **Google Meet** is a recommended Video Conferencing Softwares by UGC. Not Only that world over more than 170 Million teachers and students are using these tools for the blended/online learning.

Google Workspace Education Fundamentals is a set of Google Tools which allow Institutes to conduct online classes in both Synchronous and Asynchronous mode. Google Classroom and Google Meet are being used by more than **17 Crore Students** Across the globe. **This Subscription is offered for FREE by Google to all recognised Educational Institutes.** (The similar Subscription to corporates is offered @9500/- per Year per lic)

The Components of Google Workspace for Education Fundamentals are

- **Gmail**(for all Teachers and Students)
- **Google Classroom**- Mission Control for Students and Teachers (The Simplest LMS)
- **Calendar** - Simple, Sharing for Teamwork
- **Google Meet** - Text, Voice & Video Calls (100 Users in a meeting)
- **Google Meet for Education Allows Moderation Features Like Screen Share Control , Chat Control , Hand Raise Feature , Block Entry , Knock Out Features , Mute all**
- **Google Drive**(100 Tb Pool Storage worth Rs. 15 Lakh for FREE to the institute)
- Google Docs, Slides and Sheets(Equivalent to MS office)
- Google Sites - Intranet Portals made easy
- Google Forms

Using Google Workspace for Education Fundamentals Institute can

1. Create a Professional G Mail ID for All teachers and students on Institute Domain Name
2. Create Virtual Classes , sections similar to Physical.
3. Start Video Classes without the need of Creating Video Conference Links
4. Assign teachers and students to a class.
5. Provide a Messaging platform for Teachers and students in aclass.
6. Allows teachers to **Share Study Material** (all types of Documents) ,Youtube Video Links/ or any other links which can be accessed by student anytime from anydevice.
7. Create **Assignments /Quizzes**
7. Do Grading /Evaluation ofAssignments digitally.
8. Enables teachers to go **Live on Video / ShareScreens/ Talk to Students Face to face**
Google Meet for Education Allows Moderation Features Like Screen Share Control , Chat Control , Hand Raise Feature , Block Entry , Knock Out Features
9. Allows Teachers to use **onlinewhiteboard**
10. Provide**100 TBGoogle Drive Storage** for your Institute
11. Allows Teachers to use Google Docs, Forms, sheets, Slides and Sites , a part of G Suite.
12. Allows Institutes to Add Guardians and send them Regular Class Summaries Automatically.
13. The Solution can be used on Laptops/Desktops/Mobile/Tablets/IPads/Iphones.
